Reward Models

CPA

Earn commissions for each new customer who completes a First-Time Deposit (FTD)

Lot Rebate

Earn a percentage-based commission on the volume or value of trades made by customers you refer

Hybrid

Benefit from both: receive commissions from First-Time Deposits (FTDs) and ongoing commissions from their trading activities

- FTD: First Time Deposit. CPA is paid on the first deposit only.
- CPA: Cost Per Acquisition. It is what the company pays affiliates for bringing in a registered trader who makes a FTD.
- Lot Rebate: Affiliate earns a percentage of trade cost.
