Tentrade is one of the best...

Tentrade is one of the best brokers/Prop firm that I can recommend, most especially their instant funding account.

Their payouts are as instant as lightning with a very active customer service/support.

First payout 🤩

Guuuuuuuuu... I honestly can't believe I got my first payout from ten trade today 😊.. though the journey wasn't easy.. Omo.. Honestly having a sweet account manager like Ramatu Haruna made the whole rules understandable and the journey was awesome..

She deserves an award for the best account manager 😊.

Thank you ten trade 😊👏
